#### **Sea Change Prosecco Zero Alcohol Italy 11%** 28.00

Bright straw-gold colour, notes of elderflower, crisp apple and summer mint set the taste buds alive. Many non-alcoholic beverages are produced via an industrial de-alcoholisation process, which takes away aroma, flavour and texture. In contrast, Sea Change Free is revolutionary in its production method and comes directly from fresh, Glera grape must obtained immediately after the pressing.

*By purchasing a bottle of Sea Change prosecco, you're helping to fund grassroots, community-led marine conservation projects all around the UK's shores and coasts by supporting our fantastic charity partner Sea-Changers.*
